

Consumer Credit and Budget Counseling
d/b/a National Foundation For Debt Management
Quarterly Education and Counseling Report - 2nd Q 2018

Consumer Credit and Budget Counseling d/b/a National Foundation for Debt Management (NFDM) focuses its financial education on military personnel and their families through its Warrior Support Services Division. NFDM provides financial education to low to moderate-income consumers through relationships with Habitat for Humanity and other non-profit organizations such as the National Disability Institute and CASA, and our robust housing education and counseling department. We are proud of our accomplishments and the numbers below show our dedication to financial literacy education and counseling!
